Dear Colleagues and Friends,

On behalf of the Executive Committee, let me begin by extending my warm wishes to you and your family members for a very Happy New Year. It is a great honor and privilege for me, along with the members of the Executive Committee, to lead the activities of SPSI. We are sincerely grateful for the trust placed in us and for the opportunity to serve this community.

On behalf of our team, I would like to express my sincere appreciation to all past Presidents and office bearers of SPSI for their dedication and valuable contributions to the Society. We will make every effort to continue and build upon the excellent work carried out by the earlier teams.

We look forward to working closely with all members on several new initiatives, some of which were partially discussed at the last AGM held in December 2025. Your continued support and active participation will be vital to the success of these initiatives.

Thank you once again for this honor. I look forward to your continued support and cooperation in the exciting journey ahead.

With warm regards

T. Mandal
