02 January, 2014

Dear Member,

We propose to hold half a day special invited lecture series function on the topic “Bio-based Chemicals, Polymers and Fuels” at CSIR-National Chemical Laboratory, Pune on the January 13, 2014. This will consist of an invited lecture by an eminent scientist in this area (Please see the program below). The topic chosen is of great current interest in the context of sustainable materials and use of environment-friendly technologies. Further, this will benefit all the researchers working in the areas of Polymer Science.

The special lecture will be preceded by a lunch, followed by the invited talk, and will finally end with high tea. The registration fee for the event is Rs. 150/- per person which can be paid to Dr. C. V. Avadhani either by cash or cheque (cheque in the name of “SPS, Pune Chapter).

Kindly confirm your participation by **January 10, 2014 by 5.30 PM.**

We seek your full participation and esteemed cooperation.

(Dr. M. V. Badiger)  
Secretary

## SPS Special Topic Seminar Series

Organized by

**SPS, Pune Chapter**  
**January 13, 2014 at NCL, Pune**

**Venue:** **Shanti Swarup Bhatnagar Lecture Theater,  
Polymers and Advanced Materials Laboratory [PAML]  
National Chemical Laboratory, Pune**

### **Program:**

12.30 – 13.00 HRS	Registration	
13.00 -14.00 HRS	Lunch	
14.00 -14.10 HRS	Welcome Address	Dr. A. J. Varma
14.10 -14.25 HRS	Opening Remarks	Dr. S. Sivaram
14.25- 14.30 HRS	about SPS, Pune	Dr. M. V. Badiger

### **Seminar Session:** (Chairman- Dr...)

14.45-15.45 HRS	Talk-1	Prof. A. Lali (DBT Centre, Mumbai) Biomass based Chemicals, Polymers and Fuels
15.45 – 16.00 HRS	Conclusion and Vote of Thanks	Dr. C. V. Avadhani
16.00 – 16.30 HRS	Tea/Coffee
